えすとえむ  
es to m

When I was a kid I liked to parody  
fairy tales, but no one would come to  
watch, so I acted them out alone.

However, these stories will be a little different from what you're used to. All of the protagonists will be men!

Come one, come all!  
Thank you for joining us,  
Ladies! What you're about to hear are some very famous stories.

Why men? Watch  
and learn...

*Cinderella*

シンデレラ

there were  
two young  
people in  
very different  
circumstances.

In  
whatever  
era or  
whatever  
country it  
might be,

Ellard,  
they need  
coffee in  
the  
conference  
room.

You'll be  
working  
overtime,  
Ellard.

I need 100  
copies of this  
immediately.  
Ellard.

was working at a  
certain company  
under his father's  
management, but  
the company  
suffered a  
takeover, and he  
was needed like  
an understing.

Ellard,  
compile all  
of these  
papers by  
tomorrow.

One of them  
was a very  
hard-working  
and busy  
businessman  
named  
Ellard. This  
young man...

One Friday, these two came to meet by chance in an unexpected place.

Castle

Costumes...

I feel out of  
place in a  
tux...but it's  
all I had...

If you can stand it a little longer, I'll give you a prize.

Haha. What a nice piercing.

Getting stripped on excites you?

How unexpectedly perverted.

Clean it up.  
These were custom-made.

How  
mean.

You've  
dirtied my  
brand-new  
shoe.

Is it  
already  
morning?

Shit! Is it  
already  
that time?

You can  
call me  
"Queen."

Wait. Can I  
at least have  
your  
name...?

I have  
something to  
do. I have to  
go.

...Albert?

If you're  
Prince  
Albert,  
then I'm  
"Queen."

I was in such a  
hurry to carry  
out my orders,  
I lost my shoe.

Clean  
it up.

That's  
right...custom  
made...

Those were  
custom-made

Yes.  
Excuse me,  
but I need  
you to do  
some  
investigation  
of a private  
nature.

You  
rang?

One more  
time...

I want him  
to step on  
me one more  
time...

There's a  
person I want  
to find.

Prince Christopher is on a full-scale search for a marriage partner.

Hey. How was your workday?

Working overtime every day without a raise.

And now an important announcement from the royal family.

But he does have one small requirement.

Why did he pick it up and not return it?

No...has he had enough time to return it...?

For the person to be able to put on this black high-heel.

That's my shoe...

There is an internet site where interested parties can sign up...

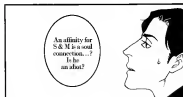

It was the first time in my life I've experienced this level of connection with another soul.

I don't know the name of the person I met that day.

An affinity for S & M is a soul connection...? Is he an idiot?

When I call your number, please enter the room.

I wish to apologize from the beginning for this rude way of searching for the person I love.

However, I would like you to know...

A strange  
couple was  
born into this  
world.

It's the  
name of a  
piercing.

Oh?  
What  
do you  
mean...

Mr. Ellard,  
please!

Why did  
you call him  
Prince  
Albert?

What are  
the details  
of your  
history  
with the  
Prince?

Mr. Ellard,  
could we  
have a  
moment,  
please?

Was the  
name  
the  
deciding  
factor?

There  
are some  
things  
you're  
better  
off not  
knowing.

# IMPORTANT!
